### What do you think is a good point(s) about the guiding? 5 件の回答

She smiles very much and the talking was very interactive.

英語が非常に聞き取りやすかった。終始、笑顔で応対しており、好感が持てた(ゲストにとっても同様だったと思う)。

She spoke English very well and her explanations were very clear. She also made a good effort to consistently engage me with questions throughout the presentation.

Very interactive and charming way of talking

There were many expressions such as the structure of the sumo stable, the daily schedule and the rank of the sumo wrestlers. It took 16 minutes and 15 seconds to begin explanation with regard to Tokitsukaze stable. I felt that the tour participants would be more attracted to the sumo stables if the explanation time was a little shorter and the focus was on the foreign wrestlers in each sumo stable.

### If any, how do you think the guide can improve? 5 件の回答

Almost nothing. That was amazing.

Perhaps just be careful of the time more, but her overall performance is great.
